Re: *United States v. Lino, Dexter*
24 CR 456 (JHR)

Dear Hon. Judge Rearden,

I represent Dexter Lino in the above-captioned proceeding. His case is on for sentencing on April 29, 2025. I am writing, for the second time, to ask for a 60-day adjournment to an early/mid June date. Mr. Lino, as the Court is aware, unfortunately has been diagnosed with Myeloma in 2023. While there is no cure for this type of cancer, he is currently undergoing radiation treatment after his blood count went down about a month and a half or so ago. He has two treatments left and then needs some time to recover. I am making this request with the consent of the Government. Thank you in advance for your consideration.

Sincerely,

/s/

The Clerk of Court is directed to terminate ECF No. 36.

SO ORDERED.
